

## RAILROAD ACCIDENT.

On Long Island—Eight Persons Killed and Many Wounded.

NEW YORK, June 20.—A train on the Long Island railroad, upon which were about one thousand persons returning from the Sheephead Bay races, was derailed this evening in a tunnel a short distance from Parkville, L. I. Two persons were killed outright, two died soon after being removed to the hospital, and about one hundred were injured—many so seriously that they will not recover. Those killed outright at the time of the accident were Patrick Daly, court officer of the Third District Court, New York City; H. S. Pringle, 326 West 17th street, New York. The following were removed to the Seney hospital, Brooklyn, and died soon afterward: Henry Spink, Marshal at Jefferson Market Police Court, New York City; Robert Cutting policeman, New York. The list of injured is a long one and some of the victims are likely to die.

## OUR CLUB EXCHANGES.

That we may be more enlightened as to what is going on in the different parts of our great country, we ought to diversify our reading. More Western and Northern papers ought to be read in the South and more Southern papers should be read in the West and North. Believing this the best thing to do to everlastingly obliterate the prejudices of the past, we have arranged a list of papers to offer with THE PROGRESSIVE FARMER. The price in the parenthesis is the regular subscription price of the paper and the other figures are what we charge for the paper with THE PROGRESSIVE FARMER for one year. Renewals for the other papers cannot be taken at the club rates, but all new subscribers can. You can renew for our paper and get the club rates:

Samples of shoes, clothes, etc. will be shown, and the benefits to be derived by the purchase of supplies, especially guanos, through the agency, will be fully explained. Let everybody attend whether members of the Alliance or not. Public especially invited.

Bro. Hoover goes from Currituck into Gates, Hertford, Northampton and Martin counties in regular order.

Fraternally,

W. H. WORTH, S. B. A.

## STATE AGENCY DEPARTMENT.

Under this Head Will be Found Everything Relating to the Agency.

Always give plain shipping directions, giving the line on which your station is located, unless it is a well-known point, and if a pre-pay station, so state.

I have several hundred tape-line measures in my office for distribution. Send two cents for one; will help you in taking your measure for clothing.

W. H. WORTH, S. B. A.

## CANE MILLS.

A new supply of Chattanooga Cane Mill catalogues. All who want a mill send for book.

W. H. WORTH, S. B. A.

## NO NAME.

The brother who sent me two bags of wool from Aurelian Springs, failed to sign his name to the letter and we are unable to communicate with him. Brethren, please sign your names and write your postoffice address.

W. H. WORTH, S. B. A.

## SUGAR ADVANCED.

You will see by looking through the price list that the price of sugar is advancing. I cannot tell what the market will be, but the tendency is upward and as there is no competition in the manufacturer of sugar, I see nothing to prevent it from still going higher. The manufacturer is getting full value for his sugar and then the government is paying him a bonus of two cents per pound. That is a free gift to the manu-

facturer, taken from the man who labors.

W. H. WORTH, S. B. A.

## THE VERY THING FOR TOWELS.

MR. W. H. WORTH, S. B. A.—Dear Sir: Brinkleyville Alliance received 50 yard roll of Alliance cotton bagging. I bought some of it and made it into towels. All who bought it are pleased with it that I have heard from. It was all sold the day it came. It makes cheap, good and lasting towels and suits our purpose.

Very respectfully,

T. R. BOWERS.

## FINE STOCK.

I am now prepared to fill orders for fine Jersey stock, Poland China hogs and fine blooded sheep. Any of our brethren having any fine stock of any kind for sale, who will send me list of same and prices, I may be able to place it for him to advantage. I will have a few hundred bushels of fine seed wheat to sell—the "rice wheat." Sample of it now in my office. I will gladly assist any of the brethren in selling any of their stock or produce.

W. H. WORTH, S. B. A.

LOVELACE, Wilkes Co., N. C., May 19, 1893.

W. H. WORTH, S. B. A.: The fish I ordered came to hand all right. It may be possible that I will make other orders soon. I can't tell just yet. I wish to say that if any of the Wilkes County Alliance draws out a dollar from the Agency fund, we of Love Alliance will place it back if you will give the name of the person who calls for it.

Fraternally,

S. S. GOFORTH.

## NOTICE TO BRETHREN.

The Durham Fertilizer Company will at an early date in June make out all bills for commissions due on guanos bought this year. They will pay all commissions to business agents. When you wish any information about your commission, write them. They will send you statement in June.

Fraternally,

W. H. WORTH, S. B. A.

## TO ALL WHO WEAR PANTS AND COATS.

I have just made a contract with a large clothing house of Boston, and am now prepared to furnish suits of clothes at very reasonable prices. Pants from \$1.50 to \$3.00. Men's suits from \$10 to \$22, boys' suits from \$7 to \$10. Children's suits from \$4 to \$6. Write me what kind of suit you wish, giving about the price you want to pay and color, and I will send you samples of that kind with instruction how to take your measure. It will take about ten days to get a suit after the order is received. You can save money by ordering.

W. H. WORTH, S. B. A.

## TO SHIPPERS OF FRUIT.

I am now prepared to ship either in car-load lots, or any quantity wanted, fruit baskets, crates for peaches and tomatoes, plums, cherries, grapes, etc. All standard sizes. I have sample packages in my office. All interested are asked to come in and see and get prices. Parties who cannot visit my office, and will write what they want, I will send them sample of what they wish. Do not delay your orders till baskets are needed. Place your orders now and you can state when you want them delivered.

Fraternally,

W. H. WORTH, S. B. A.

LOGAN'S STORE, N. C., Feb. 27, '93.

MR. W. H. WORTH: You may look for many orders from Pea Ridge, as we are not pleased with the bill tampering with the Business Agency fund. I think our Alliance is satisfied with it just as it is. Tell Bro. Denmark to send my paper on and I will send the money soon, as I can't get along without it. I am well pleased with the tone of the paper.

Yours fraternally,

W. O. BARBER.

## OUR SEWING MACHINES.

There are some sewing machine agents in different parts of the State decrying the Alliance machine at every home. They tell you it is "unreliable," "made of pot iron," "you can never get repairs," "no one is responsible to you for repairs" and such like expression which they know are false. Only a few days ago, we learned that one agent was saying that we were shipping out "second hand" machines. That agent may deal in "second hand" goods himself. The business agent of the State Farmers' Alliance does not. Up to date, Feb. 24th we have delivered to the brethren over 1000 Alliance machines. We placed order for seven machines yesterday, one of which is to go to Kansas.

Below we give a few original letters from the brethren which speaks for merits of our machine.

DURHAM, N. C., Jan. 25, 1893.

BRO. WORTH:—I will say the Alliance sewing machine that my wife has been using for two years has never been out of fix, has never given any trouble in any way; I would not exchange it for any sixty dollar machine that I ever saw.

E. A. WOODS.

January 29th, 1893.

MR. W. H. WORTH, S. B. A., Raleigh, N. C.: I take pleasure in writing you concerning the sewing machine I ordered from you September 20th, 1892. I wish to say to those who may want a machine, that the high arm Alliance machine is all right in every respect, for I have owned three in my time, and can say that the High Arm Alliance machine is the best I ever had. One of the machines cost me about \$45.00, and the Alliance machine is well pleased with it, it does its work well as ever I saw any machine, I cannot recommend it too highly for it pleases well every way, it is light running as can be.

I do this for the benefit of those who

may want a machine. I have mine for inspection for those who may want to see one. I will say further that the machines shipped comes all right according to order freight paid.

I remain ever yours,

C. M. CRESS.

## BRETHREN, TAKE NOTICE.

The brethren will please bear in mind that in my official capacity as State Business Agent, I am acting directly under the instruction of the State Executive Committee. Their instructions are that I shall "fill orders only when cash to the full amount of the bill accompanies each order, except in cases of County and Sub-Business Agents who have filed in my office a justified legal bond for double the amount expected to be due at any one time, in which latter case thirty days from date of bill will be allowed in which to make remittance for same."

Now it frequently happens that some good brother, not being informed as to this ruling of the Executive Committee, will ask us to ship goods and he "will pay for same on receipt of bill," or "when goods arrive."

Sometimes we are asked to ship "C. O. D.," or with "sight draft bill lading attached." We do not like to be placed in the attitude of refusing, but in either of the above cases we are compelled to do so. We have had a little experience in shipping "collect," and in nearly every case it has been unpleasant and unsatisfactory, some times goods lying at their destination for weeks before proper collection and remittance is made, thus causing dissatisfaction all around. We feel sure that any brother who will give this matter a moment's thought will not ask us to violate a standing rule of the Alliance. You will see also that it is better to have a uniform plan for everybody.

It is always preferable to have your orders come through your regular bonded Business Agent, but if you wish to send them direct, please accompany each order with cash sufficient to cover the bill. Any balance will be placed to your credit, or returned to you as you may direct.

Fraternally,

W. H. WORTH, S. B. A.

When shoes are ordered from Postal Shoe Co., and there is a delay of ten days from the date you make your order, either through this office or direct to the company, you will write to the Postal Shoe Co., notifying them that the shoes have not been delivered. Do not write me, as I have to forward your letter to the company. Any complaint that the shoes are not as ordered, make the complaint to me, but in no case send me the shoes. Hold till you are instructed what disposition to make of them. Be very careful in making order to fill blank in full and give lot, No., size, width, whether Congress or Lace, Common Sense or Opera Toe, Plain Toe or Cap, High Heel or Common Sense. You cannot be too definite in your description. By observing the above, you may save time and disappointment.

Fraternally,

W. H. WORTH, S. B. A.

## NOTICE TO THOSE WHO BUY SHOES.

ELIZABETH CITY, May 18th, 1893.

W. H. WORTH, S. B. A.: Enclosed you will find P. O. money order for ten dollars and fifty cents in payment of my bill for millet. I have been delayed, but think this will reach you in time. I saved just sixty-five cents on a bushel by ordering of you. Thanks to the efficiency of our State Business Agent, and Agency. Will try to send you more orders in the future. Expect to order some shoes in a short time from this. With thanks to you and yours, I am,

Yours Fraternally,

W. F. PRITCHARD, Ag't., Trinkelo Alliance, No. 1, 114.

## TO BUSINESS AGENTS.

RALEIGH, N. C., June 24, 1893.

OUR PRICE LIST.

Always give plain shipping directions, giving the line on which your station is located, unless it is a well-known point, and if a pre-pay station, so state.

All Sub-Business Agents who wish to get the 30 days time on their bills, will execute bonds now in the hands of the Secretary of each Sub-Alliance in the State, to whom said bonds have been sent for the Business Agents of Sub-Alliances. The following prices are subject to market fluctuations:

We call special attention to the \$1 higher on fertilizer less than car load lots.
